This principle will be applied until 15 June, from which date you will be asked to confirm your stay by paying your deposit. Make up your mind once your uncertainties have been resolved!

*** When booking, select the payment method "Bank transfer" in order to delay the effective payment of your deposit until June 15th. The deposit will be paid in a second time according to the payment method of your choice.

APPLICATION OF AN ADAPTED HEALTH PROTOCOL

- Strict application by our staff of **barrier gestures** and health and safety procedures.
- Reinforced cleaning and **disinfection** of accommodation and common areas after each stay.
- Provision of **disinfection products** at the reception and in all the campsite's living areas.

HEALTH COMPLIANCE

Our profession has always led us to deal with hygiene issues on a daily basis. This epidemic only reinforces our concerns in this respect.

- **Camping is the best way to spend a holiday** that meets today's sanitary requirements: **you're out in the open air!**

- At the Rioclar campsite, we have only 200 pitches out of a total of 8 hectares. Here, **we are not "one on top of the other."**

- You travel with your vehicle and your **personal camping equipment** and/or you have **private accommodation**.

- Our **toilets and common areas** are **disinfected 2 to 3 times a day** depending on the number of visitors.

- Our **swimming water is controlled three times a day**, we adjust the dosages to guarantee you a healthy and clear water.
